*Thank you.*

Membership with the Art League means saving on class tuition, discounts at local art supply stores, receiving our quarterly newsletter which provides information about the art community and exhibition opportunities. Invitations to the Annual Members' Show, Art in the Park Fine Arts and Craft Festival, and the prestigious annual Long Island Artists Exhibition held at the Jeanie Tengelsen Gallery, are an additional benefit of membership. We offer a number of venues for artists to exhibit and sell their work to the public. The Art League staff also serves as a resource and referral service for

schools, corporations and others seeking information about art and artists. Lectures, workshops, gallery and museum tours are among the League's varied cultural and educational programs offered at a discount to members.

While the League receives some funding and grants, it is mostly dependent on the generosity, ingenuity and dedication of its artists, volunteers, and friends, who sustain the organization through membership and fund-raising projects. Membership is open to everyone. Enjoy the benefits today!
