

“double take”

MEMBERS' EXHIBITION 2008

Aware that many members felt excluded from previous membership shows because their work did not fit into the rather restricted size limits, the Art League again this year has opted to have two separate, back-to-back exhibitions, allowing two-dimensional work up to 22” in any dimension. Smaller works, of course, are still welcome.

Please read the prospectus carefully. To be fair to all, we have reversed the order of the alphabet this year. Artists whose last name begin with the letter M-Z will show in Part I. Those with last names from A-L will show in Part II.

We look forward to seeing more member's work and participation.
